## READY...SET....SPELL !

The LFC will sponsor the 53<sup>rd</sup> annual spelling bee on Wednesday, May 22<sup>nd</sup> at 7:00pm in the Lordship School all purpose room. Janet Warren will again serve as coordinator, and Richard Diedrichsen will be the moderator. Both are former LFC spelling bee participants, whose children also competed as sixth graders. The contest is open to all Lordship School sixth graders (regardless of where they reside), as well as all Lordship children in grade six at other schools or who are home-schooled. There are no preliminary qualification rounds for the event. Students who attend Lordship School, Stratford Academy, or St. James can register at school, and all others can register with Mrs. Warren at 375-8314. The top five contestants will be awarded cash prizes, with the first place winner receiving \$50. The annual event has attracted as many as 96 contestants, and has become a fond memory and rite of passage for participants, their parents, and teachers. While few former students remember who the winner was, everyone seems to remember the word that eliminated them, and they are careful to spell that word correctly for the rest of their lives! For more information, contact Janet Warren at the above number.

## 2013 STRATFORD DAY

On June 1<sup>st</sup> the LFC will once again participate in the Stratford Main Street Festival from 10am-4pm. The LFC has participated in every Stratford Day since its inception. The LFC will be the exclusive seller of the refreshing Micalizzi Italian Ice again which normally sells out. Micalizzi is located on Madison Avenue in Bridgeport and is the maker of delicious gourmet Italian Ice. If you would like to show support for the LFC, stop by our booth and order some Italian Ice. It is certain to cool you off on a warm summer afternoon as you wander about the festival. Those wishing to volunteer to help serve Italian Ice should contact the Club through our website or join us at the monthly meeting to learn more details. We welcome any volunteers to help serve Italian Ice.

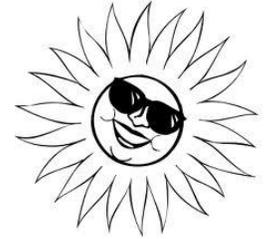

## FRIEND US ON FACEBOOK!

The Lordship Fathers Club has established a Facebook page. Anyone with a Face book account can stay connected with upcoming events.

## SUNSHINE COMMITTEE CORNER

The Sunshine Committee, a division of the Lordship Fathers Club, has been dedicated to establishing a network of friendly volunteers in our community, extending cheer on special occasions, and encouragement during times of need. The Sunshine Committee

continues to reach out to new neighbors, delivering quilts to newborns, those seeking assistance while recovering from an illness or injury, and support during bereavements. Should you know anyone within Lordship who could use a 'Ray of Sunshine' and you think the Sunshine Committee may be of assistance, contact us via the LFC website or by email at:

**[sunshine@lordshipfathersclub.com](mailto:sunshine@lordshipfathersclub.com)**

The Sunshine Committee typically meets every other month to discuss opportunities to help others or assist in planning Lordship Fathers Club events in our community. We always welcome new members who enjoy helping others or are looking to participate in Sunshine Committee endeavors.

The next meeting is: **Tuesday May 14th, 8:00pm**

Lordship Fathers Club - 21 ½ Prospect Drive Stratford

The Sunshine Committee will be serving cookies and hot chocolate at the annual LFC Easter Egg hunt again this year. Visit the LFC website to learn more about our mission or request a 'Ray of Sunshine' for a Lordship neighbor.

The Lordship Fathers Club would like to thank all of the ladies in the Sunshine Committee for their help and participation with events throughout the year. The support and tremendous caring enthusiasm the committee shares for the members of the Lordship community never goes unnoticed.

## WHAT'S HAPPENING IN LORDSHIP?

For almost a year now, local groups here in Lordship have been posting a variety of events on the interactive calendar found on the Lordship Fathers Club website. The calendar currently includes events hosted by the Lordship Fathers Club, the Lordship PTA, Stratford Alliance for Innovative Learning (SAIL), Lordship Improvement Association (LIA), Protect Your Environment (PYE), and a variety of Town of Stratford events which take place here in Lordship. The calendar also incorporates the Lordship School calendar and additional topics which may be of interest to Lordship residents. To view the calendar visit the website:

## HOLIDAY LIGHTING CONTEST

This year's annual holiday lighting contest was held the week before Christmas 2012. The top 3 winners were:

- The Squarciafico Family, 330 Second Avenue
- The Puerta & Tomassini, 431 Washington Pkwy
- The Nuzzo Family, 985 Stratford Road

The community appreciates how much energy each family puts into sharing the festive spirit with all of us to enjoy as we stroll around Lordship during the holidays. Each winner received a gift basket of assorted items from the Club, prepared by Karen Tomscheck. Each year's winners are excluded from the next three years of competition; so be ready for next season as your decorative efforts could place you in the winner's circle. Most importantly thanks to all of this year's Lordship residents for the effort you spend in decorating your home exteriors; it certainly makes our holiday season merrier.

## WHAT'S HAPPENING AT THE BLUFFS?

The Lordship Improvement Association has nearly completed the planning stages for a major restoration of The Bluffs, including measures to improve beach access, stem erosion, remove invasive plants, and restore the habitat with many of the native bushes, trees, flowers, and plants that we once enjoyed. The LIA intends to rebuild the "main path," a footpath that once ran through the underbrush below 'The Bluffs' extending from Lordship Road to Laurel Street. This path will create a "nature's classroom" where residents can observe the rare habitat up close, and learn more about its value to the environment and our community. Most likely, the path will need an application of wood chips every year.

## LFC SANTA BREAKFAST

Breakfast with Santa, held Saturday December 15<sup>th</sup> at Our Lady of Peace Hall, was well attended by many families and children of all ages. Santa was thrilled to visit with more than 150 children from Lordship, and the children were not hesitant to share their most desired Christmas wishes as they posed for a few photos. We all enjoyed an abundance of pancakes and hot chocolate courtesy of the excellent breakfast chef volunteers from the Lordship Fathers Club.

## WINTER STORM NEMO

As winter storm Nemo approached the first week of February, forecasters estimated between four and thirty inches may fall in our neighborhood. So how did Lordship end up with a record breaking 34 inches of the white stuff blanketing our community? We've heard the warnings before, and were cautious doing the best to prepare, clearing the grocery stores of milk, eggs, and bread as if we'd be stranded for days. By Friday evening, with snow falling lightly most of the afternoon the totals were less than six inches. As day turned into night, we prepared our shovels, and stood by with snow blowers ready for battle. On Saturday morning we quickly realized that bucket loaders and snowmobiles would be the only logical means to move about Lordship. Overnight, Lordship was transformed into a life-size snow globe. With a state of emergency declared, roads were impassable, emergency services were limited and the neighborhood stood silent, impaired with snow depths more familiar to Buffalo or Duluth. Thirty-six hours after the last flakes had fallen; many streets in Lordship were still entombed in snow. With residents in survival mode, we ventured into our new arctic world, eight foot snow piles which flanked our local roadways, to check in on neighbors, assessing our property, and began the slow dig out from the record breaking snowfall. Plows and heavy equipment challenged by the depth of the snow, took more than a week to provide access to goods and services and return municipal buildings to a more regular schedule. Just keep shoveling...just keep shoveling....just keep shoveling....

## DODGEBALL

The Lordship Fathers Club invites the community to join in an evening of Dodgeball hosted on Friday April 18<sup>th</sup> from 6-8pm at the Lordship School APR. In the meantime, remember to practice 'Dodge, Dip, Dive, Duck, and Dodge'

## LFC BEACH PICNIC

The Lordship Fathers Club Annual Bash at the Beach picnic is planned for Saturday June 29<sup>th</sup> 12pm-4pm at the Bluffs on Russian Beach. An estimated 200 Lordship residents attended the event on the Bluffs last year, as warm, sunny skies prevailed. The grill will be loaded with juicy burgers, hot dogs, assorted fixins' and a variety of complementary side dishes. Good fun will be had, so keep your calendars flexible and check our website often for updates on the specifics. The LFC Raffle drawing is to be held at the picnic. All Lordship residents and Lordship Fathers Club members are welcome to join us.

## LORDSHIP SMARTS

On February 1<sup>st</sup>, 2013 the Lordship Fathers Club hosted Lordship SMARTS a Science, Math and Arts Exposition. Lordship SMARTS, open to all residents of Lordship grades K-12, was intended promote importance of creativity, ingenuity, attention to detail and communication through Science. The more than 150 residents who attended the event spent almost two hours perusing the exhibits and were impressed with not only the ideas and craftsmanship, but, more importantly, the enthusiasm with which each student carefully described their exhibit. From Bee Keeping to Space Shuttles, the imagination of participants was exceptional in every regard. In addition to exhibits, volunteers from the community helped run hands-on science based activities, such as bridge building, buoyancy demonstrations, surface tension experiments and the discovery of animal tracks here in Lordship. A big thank you to all volunteers and participants who were involved, because of your efforts the expo was a success. Lordship SMARTS not only gave the children a sense of pride and accomplishment derived from participation in a Science Exposition, but also created an opportunity where the community could gather and appreciate students' efforts in science. Five judges from the Lordship community, with backgrounds in math and science, were impressed with the exhibits and deliberated intently before making their decisions. Each child received a certificate of participation, with the top winners in each category sharing more than \$1000 in prizes.
